Jazz Cares<sup>®</sup>

Making a difference in Patients' lives,  
one Patient at a time

Epidiolex<sup>®</sup>  
(cannabidiol)

## A comprehensive support team that can help streamline the process and remove access barriers

### Services available as you start and manage your patients on EPIDIOLEX

- **Electronic pharmacy benefit verification** – determine EPIDIOLEX coverage criteria and identify in-network Specialty Pharmacy options
- **Prior Authorization (PA) and appeals support** – JazzCares can facilitate the PA and educate your office on each step of the process, including if an appeal is needed
- **Patient Access Programs**
  - **Quick Start**:\* new-to-therapy patients may be eligible to receive up to a 60-day free supply while coverage is being pursued
  - **Hospital-to-Home**:\* for new-to-therapy patients who have been prescribed EPIDIOLEX for outpatient use as part of their discharge from an inpatient hospital stay
- **Patient Assistance Program** – Jazz offers an EPIDIOLEX free drug program for uninsured and underinsured patients
- **Electronic HIPAA Authorization** – this allows the JazzCares Team to support the patient in a personalized manner

\*Terms and Conditions apply.
